

Student council Civil Engineering

The following person is ready and willing to be proposed as a candidate for the elections 2016 to the student council of Civil Engineering of Bauhaus-University Weimar.

The application must be supported by at least 10 students from faculty Civil Engineering and submitted to the office of StuKo (Marienstraße 18 – top floor) by **08/04/2016**.

A short introduction of the candidate (Who am I? What am I doing? Why do I want to be elected? Which opinion do I hold? What are my goals...) goes along with the application as well as a digital photo (min. 150 dpi, preferable portrait).

The text and picture are needed for your election poster and must therefore be submitted to

informationsverbreitung@m18.uni-weimar.de as well by 08/04/2016.

After the election a weekend-workshop will take place to introduce you to tasks, current issues, processes and much more. Of course there will also be time to celebrate your election. Please let us know if you are free on the weekend as stated below and if you want to participate. We really do recommend it! If you already know that on those dates it is impossible for you to join let us know anyways.

Concerning the weekend-workshop held from 20/05/16 until 22/05/2016

I will most probably take part.

I'm sure that I won't be able to take part.
