### TOP 0 Formalia

---

- TOP 0.1 Attendance
  - 0.1.1 All participants please sign in at the attendance list at the end of the pad.
- TOP 0.2 Wortmeldung

### TOP 1 Reports of Delegates/Representatives/Consultants

---

- TOP 1.1 Final spurt: Student councils report and cooperation Candidate\*recruitment,
- TOP 1.2 AGAG: Assignment of contact persons + roulette principle, written for the next legislature
- TOP 1.3 Initiatives [Julien]

The application from the bicycle repair shop was minimally corrected by Mr. Schmidt and has found its way to the Presidium (waiting there for approval).  
Now that the opening is more likely, the question of consumables arises, a larger contingent for M18, which the Inis can also access, or does everyone order separately? Which solution do you think makes sense?

### TOP 2 Any other business

---

- TOP 2.1 Open Letter from StuKo to open student's workplace
- TOP 2.2 Handover report!!
- TOP 2.3 "Corona Statutes" - Comments on the first draft:
  - § 5 Part-time studies and leave of absence
  - Addition that corona/difficulties (of whatever kind) are given as a standard reason (i.e. on the form to tick) Justification: should not be the decision of the processor, but should function as a standard and also reduce inhibitions
- TOP 2.4 Extended task force on 16.06.20 [Olli]

Are there issues that need to be addressed?
