

Student Representatives Nomination 2022

Faculty Civil Engineering

Personal Information

Name

Surname

Matriculation number

Course of studies

University-Mail address

Phone Number

The named person is ready and willing to stand as a candidate for the faculty of Civil Engineering of the Bauhaus University Weimar in the **legislative period 2022/23**.

A complete candidacy also includes a personal introduction via answering the attached questionnaire and a digital photo (min. 150 dpi). Text and photo will be used for the election advertisement. Please send this information digitally to wahl@m18.uni-weimar.de with the subject "**candidacy**" and your name. More information about the candidacy e.g., the template for the election posters, can be found on the web at m18.uni-weimar.de/wahlen2022

All documents must be submitted in digital and analog form no later than **May 11, 2022**. The printed election proposal slip should be placed in the mailbox at the students' house, Marienstraße 18.

Parallel to the election of the student council members, the student committee election of the university takes place. It is expressly desired that the student representatives standing for election are also members of the respective student council. If you are specifically interested in working for the Senate, the Faculty Council, or other committees, you can find more information and the election proposal form on the university website.

From June 24 to 26, 2022, a joint retreat will be held, during which we will get to know each other as well as the goals and contents of the upcoming. The journey to the venue, as well as accommodation and meals are completely free of charge for candidates of the student council elections. More information about the event will be sent out upon receipt of your candidacy. Please indicate below if you can attend.

Privacy Policy

By signing this form, the candidate agrees to the privacy policy below.

The data collected will be used exclusively for the registration for the student council elections. For this purpose, contact details of the candidate are required to be able to contact him/her in case of queries.

After submission of the registration, the form will be stored and archived in accordance with the legal deadlines.

If you have any questions about the details of this privacy policy, you can contact the election management via E-Mail-at wahl@m18.uni-weimar.de.

- I agree to the privacy policy
- I will attend the joint retreat
